Letter no. 900 dated 22nd November 1926 from the Supdt. Govt. Gardens forwarding Comptroller's objection in the matter of the Supdt. having drawn certain sums of money in excess of the annual grants for non-pensionable establishment and requesting that such excess drawings during certain months may be ordered to be allowed so long as the annual grant is not exceeded.

In G. O no. D. C. 4649-50 G. M. 129-23-29 14.7.1926, a monthly allotment of Rs. 716 has been sanctioned for non-pensionable temporary labour in the Parks and Gardens of Mysore and Seringapatam. Out of this sum Rs. 716/- the Supdt is said to have allotted Rs. 595/- for the Mysore Parks & 121/- for Seringapatam &

2 The present reference indicates that the expenditure under Ports and Pilotage has exceeded the allotment upto: 5.9.27. by Rs. 4-5-0 during June 1926 and by Rs. 6-11-0 during July 1926. The Comptroller objects to such excess expenditure and the Supdt. Contends that it may be allowed so long as the expenditure does not exceed the grant for the whole year.

The point for orders is whether the savings on the allotment in a month may be appropriated for excess expenditure in another month. 2 Tea

Sir,

In forwarding herewith in original (to be kindly returned when no longer required) the enclosed objection Memo from the Comptroller on the subject of disallowing the amount drawn in excess of the lump-sum monthly grant for establishment fixed under non-pensionable labour in accordance with Government Proceedings No.I.C.4649-50/G.M.129-23-2 dated 14-1-25, I have the honor to state that as per Mr. Krumbiegel's note forwarded with this office letter No.1745 dated 1st June 1923 it may be seen that the object of putting the labour on non-pensionable labour basis is to make the employment of the menial labour more elastic by providing lumpsum. More labour will be engaged during the seasons to get through more work and less labour when there is light work during the hot weather, the expenditure however being kept within the annual grant. Since the Comptroller wants clear orders of --- Government on this point, I request you to be so good as to obtain the necessary orders in the matter as early as possible.

Sir,

With reference to your Audit Retrenchment Slip (D) No.196/Agrl T.A.D.(b) dated 9th instant requesting to recover by shortdrawal from the pay bill of July 1926 the sum of Rs.4-5-0 drawn in excess over the sanctioned grant of Rs.595/- per mensem, etc., I have the honor to state that the sum fixed is only the rate per mensem. But the object of having the non-pensionable labor is to engage more labour at busy seasons by effecting savings when there is light work. But however, the expenditure on this account is kept within the annual grant. In these circumstances the amount objected to may be admitted in audit.

Sir,

Your most obedient servant,
